

**TIPS FOR SCHEDULING 9TH GRADE COURSES**  
**Peninsula Catholic High School – 2010-11**

Below you will find a plan for 9th grade schedules. Consider these suggestions when choosing your 8 classes for next year.

Ninth grade students must take:

<b>One English Class</b>	English 9 or Integrated Honors English 9
<b>One Social Science Class</b>	World Geography
<b>One or Two Math Classes</b>	Algebra I or Algebra I, Parts 1 and 2. Some ninth graders will take Geometry
<b>One Science Class</b>	Earth Science or Integrated Honors Earth Science
<b>One PE Class</b>	PE 9 (9 weeks)/Health (9 weeks) or PE 10/Driver's Education (if you will turn 16 before March 1, 2011). One course is required.
<b>One or Two Foreign Lang.</b>	At least one level is recommended but not necessary because there is still plenty of time to take a foreign language in 10th, 11th, and 12th grades. (You must choose between Spanish, French or German).
<b>One Theology Class</b>	Theology 9
<b>One Elective (if no language)</b>	Choose elective classes that you may find interesting or think may be fun. These classes are designed to give you a break in your schedule and give you the opportunity to try different things (for example: art, technology, business, drama)

Dear Student and Parent:

Please list the eight classes you would like to take next year. Please keep the following in mind:

1. You can take only one of each of the following next year: English 9, PE 9/Health, World Geography, Theology 9. If you will be 16 before March 1, you may register for PE 10/Driver's Education in 9<sup>th</sup> grade.
2. If you are taking a Part I math class, you must take Part II during the same year.
3. A foreign language class is **not required** in grade 9.
4. Be sure to place an alternative elective in space 9 and 10, in order of your preference.
5. You need to list eight classes and two alternates in case a class doesn't fit.
6. You will not receive your actual schedule until May.
